World's Greatest Cookie Sale

We will again participate in the World's Greatest Cookie Sale on Friday, November 26 - noon until 4:00 p.m. at the Country Springs Hotel in Waukesha. We also need workers the day of the sale.

This year we're going to continue the tradition started last year with the addition of White Cookies.

This suggestion was made by Anna Mae Badciong. White Cookies were served at the 1958 National Gymanfa Ganu in Milwaukee. Miss Mae Williams contributed her family recipe, which was handed down from her grandmother.

If you are interested in making White Cookies for the World's Greatest Cookie Sale, let Sue Stealey know so she can coordinate. Label your container as to whether you add vanilla or nutmeg so that they can be appropriately labeled for sale.

Copies of the White Cookies recipe will be available at the October meeting, or contact Jan Batty for a copy.

- North Shore Welsh tea cake bakers will meet at Jan Batty's house in Cedarburg on Saturday, November 13 at 9:00 a.m. We will also make a few batches of White Cookies. Contact Jan at (262) 377-9661 if you'd like to be part of the fun.
- Waukesha bakers are organized by Anna Mae Badciong. Contact her at (262) 968-3264 for date and time.
- The demand continues for Bara Brith, so bakers are also encouraged to make this treat.

The club assumes the cost of ingredients. If you wish, you may make a financial contribution. This is a wonderful opportunity to give our group visibility and to share our Welsh culture with the community.

St. David's Celebration

The 2011 St. David's Day Banquet for the Milwaukee and Waukesha area will be held on Sunday, February 27, 2011, at Saxe's Dining and Banquet Hall located just west of Highway 83 on Highway 18 in Delafield, WI. Social hour at noon, lunch at 1:00 p.m.

Plans are under way. We will have a short informational meeting after our October 2 program. All interested in helping are welcome to attend. If you want to help but are unable to attend, please contact Scott Lange or Jan Batty for more information.
